

## **Providence Lifestyle Mandurah & Haynes Project Update FAQs**

### **Q. Can I get my \$5,000 deposit back in full?**

Yes, lawyers have held that money in a trust and you will receive your full deposit back once you formally withdraw your commitment.

If you'd like to stay on a priority list to buy or rent one of our homes, you are able to request a \$4,000 refund of your deposit, with the remaining \$1,000 to be kept in trust until your final decision is made.

Should you choose to purchase a home at Providence Lifestyle Mandurah or Haynes, we will be offering a discount to those who maintained a \$1,000 deposit.

### **Q. Will I still be able to rent a home at Mandurah or Haynes?**

Possibly. We understand demand remains high for affordable, long-term leases in a boutique gated lifestyle community with first-class communal facilities and are aiming to have some homes available to be used in this way. We anticipate we will have more details in three to six months from now.

### **Q. When will construction begin?**

We are beginning construction in Mandurah in early July. Rather than building the whole community and all the facilities simultaneously, we will be constructing the community in 4 stages.

### **Q. When will the first stage of homes be completed in Mandurah?**

We anticipate construction of the first 19 homes in Stage 1 will begin in January and be completed in mid 2023.

### **Q. Will the community of homes still be constructed as per the visual imagery presented in the brochures and on the website?**

Yes.
